Re: Recommendation

Dear Sir/Madam

Crosstex Energy Services, L.P. located in Patterson, Louisiana has utilized the services of Cascade Analytic LLC management since the early 1980s. They have provided vibration surveys for the facilities maintenance program and emergency callout services to analysis equipment vibration issues. The timely responses and analytical interpretations have greatly reduced the equipment downtime. An answer was always provided to assist in solving the problem at hand.

Thanks to Ivo Dabelic and his dedicated staff!

Sincerely,

Lynn Rozas
